

## Children's Voice

The children are encouraged to develop a sense of ownership and respect for their school and care for those around them. It is part of growing into responsible adults, understanding wider British values, and taking their place in society. So they often undertake responsible jobs around school.

Their representatives on the school council meet weekly, join Friends meetings and write a monthly newsletter for parents.

The school council contributes items each month to the local news magazine, 'Village Voices'.

When children start at Gorefield School they are put into a team/house. The children earn team points for thoughtful behaviour or good work. All of children earn team points for their team. At the end of each week the winning team is applauded in assembly.

### **The Gorefield Achievement Trophy.**

At the end of each month, an achievement award is made to a child who has made particular progress, a photo is taken of the child with the trophy and a copy is sent home so you can share the achievement.

### **The Newling Award.**

The Newling Award is presented at the end of the school year by the school governors. It is awarded to a child in Year 6 who has best typified the value of the school throughout their time with us.
