

The School Library

We are working closely with the Wisbech School's Partnership and the annual 'Wisbech Reads' festival and for the Summer term of 2016 our brand new library was opened. This is how the children described in it:

'We have some very exciting news! Over the Easter holidays our new library arrived. We have lot and lots of new books to read. We've all been going in to decide what we want to try first. It's so exciting to have so many new books to read, and as well as reading them in school we can also take them home. As well as exciting stories to read we've also lots of new non-fiction books'

The Voices - Children's Newsletter

Children are able to take out both fiction and non-fiction books to read, and are invited to take the fiction books home to read and share with parents.

We work with the nationally renowned Norfolk Children's Book Centre, who provide and recording service as well as advice and guidance on both the best fiction and non-fiction to stock, and latest books. A part of this arrangement, the library will be updated with additional stock every term.

Please do come and visit our library, and read with your children whether at school or when they bring their books home to share with you.
