

Our Friends Association

As a parent, once your child is registered at the school you are automatically considered a member of our Friends group which runs a whole host of activities throughout the year and always welcomes more support.

The school is fortunate to have a thriving and enthusiastic Friends group who run a number of social events throughout the year, such as our annual Easter Egg raffle.

The Friends seek to raise money for the general benefit of all children in school. The Friends were instrumental in raising funds for our new swimming pool in 2012,

The money they raise supports whole school trips, for example the annual visit to the pantomime, as well as providing additional outdoors and play equipment for the children.

The Friends write a monthly newsletter, also available on our website.

In providing these activities they also seek to foster strong relationships amongst children, teachers and parents within the school to support the family ethos of the school as well as good social relationships in the whole village community and to ensure our school, and our school buildings can serve at the centre of our community.

We would be delighted if you would join us. Ask at the gate and we will introduce you to the team, or simply come along to a meeting.
