

# School Governance

The Governing Body is responsible for the strategic leadership of the school. Governors also carry out particular responsibilities through its sub-committees. They establish with the Head teacher and the staff, the aims and policies of the school, how standards of education can continue to be improved through the School Development Plan and the use of the school budget. They ensure all curriculum and legal requirements are met.

Governing Body meetings are held half termly at the school. Copies of the agenda and minutes are available at the school. Parents wishing to become Governors are encouraged to apply when vacancies arise.
