Parent Comments

- **Fantastic parents evening results, very happy with the way both our girls are being encouraged and pushed to learn and grow.
I feel the school would be better led with a headteacher that is more committed to the school and its pupils.**

- **It would be very useful for parents to be able to access information about their child's progress online. In this way a parent would be able to support their child's learning more effectively and liaise with the class teacher where appropriate to accelerate learning and minimise or avert problems.
Parents evenings offer only a short time to consider a great deal of information about your child's progress.**

- **It is nice to see the acting head about the school.
School meals - I would rather pasta not be on the menu every day as my child will pick pasta every day and this is something I don't want.**

- **More recently the attitude seems to have changed since Mr Starling's arrival. The children seem happier?!**

- **Although not always possible, it would be nice to have more notice with upcoming events as parents are left running around sometimes to guarantee their child has what they need for specific events.**

More notice for assembly as parents need to change their work patterns.
