

Friends would like to welcome everyone back after the half term. We hope you all had a wonderful break.

Friends of Gorefield Primary School are pleased to announce that, with the help of all of you, we have raised the funds needed to go ahead and construct the new outside classroom. Additionally we have managed to fund a new item for the trim trail - a rope wall.

We are working on raising funds for phase two of the field improvement.

Thank you for all your kind donations for the Friends Quiz night held before the half term. We raised £160 on the night. In addition to this we received a donation of £100 from A. Downing Agricultural Engineers.

The Valentines disco raised £185.70.

That's an amazing £445.70 added to the phase two field improvements pot bringing our grant total £2,464.07.

We are writing to you to ask for your help with regards to our mini orchard on the field. We would like to put up a small rope wall up around the orchard with an opening for the children to access the orchard to harvest the fruit. We need six small pots and some rope if anyone can help by donating these items we would be most grateful.

Friends are pleased to announce that we now have an account with the Easy Fundraising website. Every time you shop online using the link below the company you shop from will donate to Gorefield Primary School. You can download the app today to make it even easier.

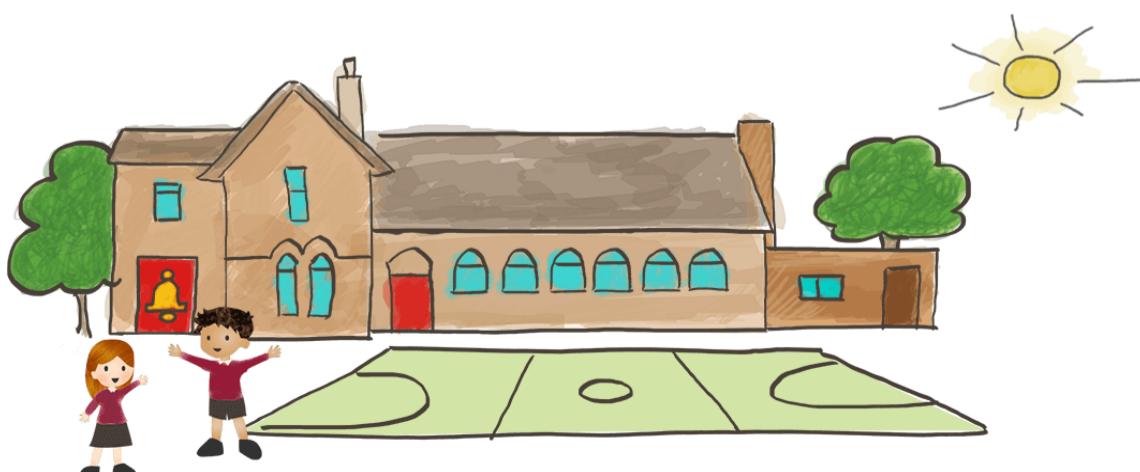

This is another great way for us to help raise funds to improve our school.

<https://www.easyfundraising.org.uk/causes/gorefieldprimaryschool>

'Friends of Gorefield Primary' is a very casual group of parents, grandparents and carers that have come together to offer support via fundraising for the school and by supporting events through serving refreshments.

We are always after new members as this would mean new ideas, a fresh outlook and the chance to hold larger events for both children and parents to attend - as we currently stand it would be very difficult to hold the kind of summer fayre / school BBQ we feel your school deserves. Schools are always having funding cuts and the money that we raise goes a long way to enhancing your child's school day. We can't do this without you.

If you would like to get involved with Friends of Gorefield Primary School please contact Miss Templeman, Mr Starling or any member of the Group for more details.

Field improvements

Phase one

Outdoor Classroom & Rope Wall.

The outdoor classroom is due to be built in March 2019. Additionally we have managed to fund a new item for the trim trail, a new rope wall, which will be added at the same time as the outdoor classroom.

Phase Two

A Radleigh Climber.

We need to raise £5,220 for the climber which will be added to the end of the trim trail.

Phase Three

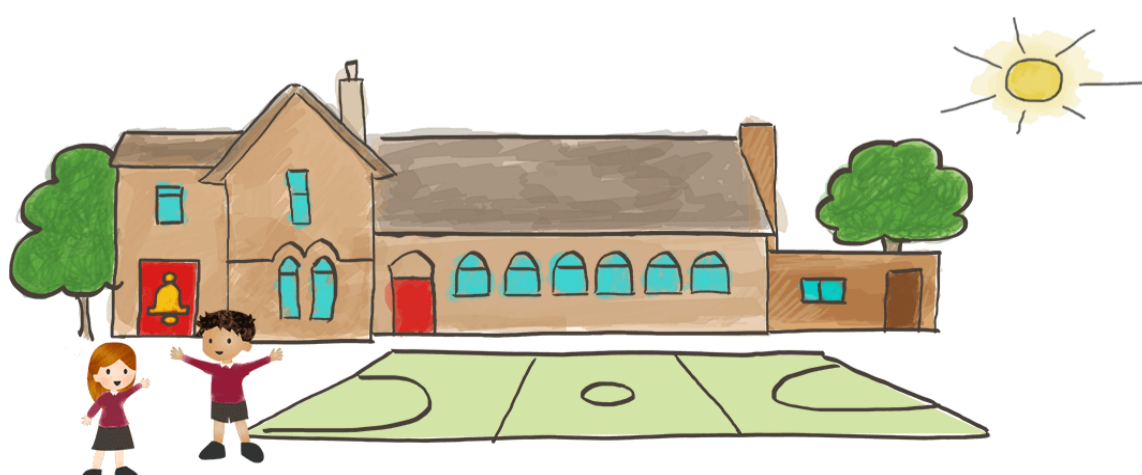

A sun sail.

This item will cost £2,310. It's an adjustable and removable sun sail to cover the throne and bench seating on the field.

Traversing wall.

This item will cost £1,525 and will be added to the trim trail

Total cost for the two items is £3,835
