Dear Parents and Carers

As you may be aware, some allegations have been reported to our school concerning a teacher who has been at the school on a temporary basis. Both the school and Orchard Learning Trust take these reports extremely seriously. Our first priority is to safeguard the children in our care and ensure that they feel safe and happy at school.

I would like to assure you we are following Cambridgeshire and Peterborough Children's Safeguarding Partnership procedures but we are unable to share any further information at this time.

Kind regards,

Damon Finney  
Assistant Headteacher
